INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
PUBLIC NOTICE OF RCRA CORRECTIVE ACTION COMPLETE

DATE OF NOTICE: May 20, 2011

COMMENTS DUE: July 5, 2011

The Indiana Department of Environmental Management intends to issue a RCRA Corrective Action Complete With Controls determination for:

Weil-McLain
500 Blaine Street
Michigan City, IN
U. S. EPA ID Number IND074307265

IDEM has reviewed the administrative record, and has drafted a Statement of Basis proposing to end the RCRA corrective action process. The Statement of Basis supports IDEM's decision to issue a RCRA Corrective Action Complete With Controls determination for this facility. With controls implies that land use restrictions (e.g. environmental restrictive covenants) will be required, and that no known contamination will be left on-site that requires the use of an engineered control to prevent unacceptable human health or ecological exposures. A copy of the Statement of Basis and the supporting administrative record are available for your review at the IDEM Virtual File Cabinet at <http://www.in.gov/idem/> (VFC document # 62154068).

IDEM is providing the public an opportunity to submit written comments and/or request changes to the Statement of Basis as proposed. IDEM is particularly interested in receiving comments from persons aware of any spills or releases that may have occurred from this facility in the past. You may request that IDEM hold a public hearing about this RCRA Corrective Action Completion Determination. At a hearing, you would have an opportunity to submit written comments, ask questions, make statements, and otherwise discuss any concerns about the Statement of Basis or the administrative record with IDEM staff. If a public hearing is held, IDEM will make a separate announcement of the date, time, and location of that hearing at least thirty (30) days in advance.

Written comments with supporting documentation, or a written request for a public hearing, should be sent to:

Robert Marshall
IDEM, Office of Land Quality
Permits Branch (Mail Code 66-20)
100 North Senate Avenue
Indianapolis, Indiana 46204-2251

IDEM will respond to all significant comments and specify which provisions of the Statement of Basis were changed, if any. To receive a copy of the Notice of Final Decision and Response to Comments, please make a written request to the address above. Anyone who submits written comments will receive a copy of the Notice of Final Decision and Response to Comments.

If you have any questions about the Statement of Basis, administrative record, or the public participation process, please feel free to contact Mr. Robert Marshall at the OLQ address above; or at 1-800/451-6027- extension 2-4534; or 317/232-4534; or by e-mail at rmarshal@idem.IN.gov.
